3.0 Principles and Rules

3.1 *Composition and Meetings*

- The Committee must be comprised of a minimum of three directors of the Board with a majority of the members to be Independent. Each member shall be (or shall become within a reasonable period of time after appointment) familiar with HSE, climate change, stakeholder engagement and public policy matters as they pertain to Kiwetinohk's business and operations.
- The Committee will meet as scheduled and in the manner as prescribed in the Board and Committee Meeting Guidelines of the Corporation.

- The Committee Chair will report on the activities and decisions that the Committee has made according to its delegated authorities at meetings of the full Board at least two times per annum.

3.2 Role

In addition to any other duties and authorities delegated to it by the Board from time to time, the role of the Committee is to:

3.2.1 Health, Safety, Environment and Stakeholder Engagement

- (a) Monitor and advise on the Corporation's strategy, actions and results in respect of matters related to HSE for compliance with the Corporate Mandate.
- (b) Monitor and advise on the Corporation's strategy, actions and results to achieve its HSE goals, to align its strategies and corporate culture around these goals.
- (c) Review management's means of maintaining awareness of applicable laws, regulations and rules, industry standards, trends, issues and events in regard to HSE matters and meeting the needs of its Stakeholders.
- (d) Consider material national and international regulatory and voluntary developments in matter related to HSE, including climate change.
- (e) Review, on a regular basis, the existing HSE practices, procedures and policies of the Corporation as prepared by and updated from time to time by management to seek to ensure that they are effective in protecting the health and safety of people associated with Corporate activities.
- (f) Seek to confirm business is conducted in a socially responsible, ethical and transparent manner and that management engages with, respects and supports the communities in which the Corporation operates and, also, conducts its business with recognition of the special rights of Indigenous communities.
- (g) Review annually the Corporation's plans and policies for the maintenance and/or improvement of the relationship of the Corporation with the communities affected by its business and operations.
- (h) Evaluate the effectiveness of the implementation of the Corporation's policies relating to HSE matters, including (without limitation) climate change.
- (i) Review policies and priorities to guide Kiwetinohk's communications and performance on stakeholder engagement, Indigenous rights and relationships, climate and energy transition, water, community investment, political contributions, government relations and public policy.
- (j) Oversee the preparation of, and then review and consider, reports and recommendations issued by management or by external advisors relating to HSE issues, compliance matters and the interaction of the Corporation with the Indigenous and non-Indigenous communities affected by its business and operations, together with management's response to those reports and recommendations, unless such oversight is otherwise assigned by the Board.

- (k) Review the Corporation's annual environmental, social and governance reporting and disclosures, including reporting on climate risks, HSE and overseeing compliance with required disclosures in respect of political and lobbying activities, unless such review is otherwise assigned by the Board.
- (l) Tour or otherwise participate in the activities of the Corporation's operations or, in the Committee's discretion, meet with officers of the Corporation that are responsible for operations and report to the Board on such tours and/or meetings.
- (m) Review and seek to enhance the Board's oversight of HSE issues and risks through regular review of the duties of each of the committees of the Board to seek to ensure an integrated approach, including making recommendations to the Board on the Corporation's related policies.
- (n) Oversee the plans and execution of any specific initiatives contained in the Board approved HSE plan that relates to the HSE and community engagement areas of the Corporation.

3.2.2 *Reporting Process*

Submit to the Board, as a whole, reports concerning Stakeholder engagement and HSE matters. Such reports may be oral or in writing. Unless such matters are delegated specifically to the Committee, the Committee shall only make recommendations to the Board for their consideration and approval, if appropriate. The Board will then have the authority to instruct management to implement the Board's directives.
